

**SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT  
PERMIT APPLICATION PUBLIC NOTICE**

**May 26, 2006**

**Permit Number:** OCRM-06-129-R  
**Permit ID:** 54795

The SCDHEC Office of Ocean and Coastal Resource Management has received an application for a permit for the alteration of a critical area. This application was submitted pursuant to the Coastal Zone Management Act (Act 123) of the 1977 South Carolina General Assembly. The application, in brief, is described as follows:

**APPLICANT:** CMMC, LLC.  
C/O General Engineering & Environmental LLC  
PO Box 30712  
Charleston SC 29417

**LOCATION:** On and adjacent to Cooper River at former Naval Base, North Charleston, Charleston County, South Carolina.  
TMS#: 400-00-00-110.

**WORK:** The work as proposed and shown on the drawings consists of hydraulic dredging. The applicant seeks to dredge 1,750,000 cubic yards of material in front of berths for piers C, D, F, H, J, S, T and U located on the former Navy Base. The amount of dredge material varies at the individual piers. The spoil will be placed in the Clouter Creek Disposal Area. The work as described is for obtaining adequate depths for ships and commercial vessels. NOTE: This project was previously authorized under 99-1T-219-P and the State authorization has expired.

This public notice is being distributed to all known interested persons and agencies to assist in developing facts on which a decision by OCRM can be based. Comments concerning the proposed work should be submitted in writing, setting forth sufficient detail to furnish a clear understanding of the reasons for support or opposition.

The decision to issue or deny a permit will be based on the individual merits of the application, the policies specified in the South Carolina Coastal Zone Management Act, and the considerations outlined in the State of South Carolina Coastal Zone Management Program. Interested parties who wish to be notified of final permit action must notify OCRM in writing of this request.

*To assure review by OCRM, comments regarding this application must be received by OCRM on or before June 25, 2006. For further information please contact the project manager for this activity, Tess Rodgers at 843-747-4323 ext. 116.*

**PLEASE REPLY TO:**

SCDHEC OFFICE OF OCEAN AND COASTAL RESOURCE MANAGEMENT  
1362 McMillan Avenue, Suite 400  
Charleston, South Carolina 29405

**Please refer to P/N# OCRM-06-129-R**

  
Tess Rodgers, Regulatory Coordinator

**Wharf**

**Volume calculations to be provided with post-dredge hydrographic survey.**

**Notes:**

- 1.) Based on previous dredge volumes, it is estimated that approximately 3,525,000 cubic yards will be removed yearly.
- 2.) Project depth 35' unless otherwise noted
- 3.) Dredging performed by hydraulic dredge
